#### Task C: My Favorite Season.

My favorite season is summer. This year I spent my summer holidays by the sea with my parents. I swam and sunbathed a lot. I had a lot of fun and even saw dolphins. And I met a new friend. Her name is Symbat. She is my pen friend now. I liked my summer.

I spent these summer holidays in a summer camp Gadsoumen. I liked this camp very much. The camp Gadsoumen is a very beautiful place by the sea the forest. I had a lot of fun with my new friends. We played different sports games, watched and took part in concerts. Also we went on excursions and visited many interesting places. I will never forget this time. I really love this time of year, and always look forward to it.
